COMER, GEORGIA

Dear Agricultural Teachers, 4-H Leaders, Parents and Cattle Breeders,

The time has come for the Madison County Open Beef show to be held on Saturday, September 27, 25 at the Madison County Fairgrounds in Comer, Ga. We have come along way since this time last year and I pray things will continue to get better.

You will find attached the rules and regulations of the show and a entry form. Please feel to reach out to me with any questions you might have. We plan on starting the show that day at 12 noon. Check in will be 7 a.m. to 10 am. This is a go and blow show because as we all know we have had some hot days in September but I hope it will be cooler this year.

The Madison County Fair will be packed all week with various livestock show, rides and food and enough to keep us all busy. So for the kids who are not showing any livestock there is plenty for them to do.

Please remember to keep in mind all premiums will be mailed out after the show and the placings will be based upon entries and donations to the show.

Thanks so much.

Angie McGinnis

BULLS

A number of you have asked about having a bull show like we have done in the past. We will be having a bull show this year. The bulls must have been born January 1, 2024 to the present. They must also be halter broke and manageable on a halter. If there is not at least 5 of the same breed then all the bulls will be shown together by birthday. Let me know if you have any questions. Also, a nose ring will be required when entering the ring. It does not have to be a permanent one.
