

Dear GCCPA Supporter,

Thank you for your continuing support and enthusiasm for our youth and Georgia breeders! Your generosity and kindness do not go unnoticed. Due to individuals and companies, like you, our association has begun to grow and evolve into many leadership opportunities for our youth.

As you are aware summer is getting closer and for our association this means we are getting ready for our GCCPA Field Day. Our youth will be heading to Dublin, Georgia this year exhibiting their cattle, November 16, 2024. Not only does this event hold an opportunity for exhibiting cattle, but our youth will be putting their knowledge to the test during the quiz bowl, showing off their public speaking skills during their salesmanship and speech contest, and competing in many other contests & educational seminars!

We were hoping you might take advantage of the opportunity to help sponsor our kids! Here are some opportunities we have for sponsorships coming up!
