I Show...

...and I am the definition of dedication.
I have felt the despair of "the gate" and I know that I don't want that feeling again.
I have experienced the gratification of the handshake and I know that I want that feeling again, again, and again!
I believe that fitters are actually artists in Wranglers and Rockports.
I have been to the front of the line and I am going back for more!
I can see the beauty in a perfect "profile" and the grace in a "good drive."
And my favorite color is PURPLE!
If I have to, I'll sort through 1,000 head and drive as many miles until I find "The One."
There is magic in my eyes, skill in my hands, and electricity in my step.
And while my classmates are watching TV and playing video games, I am feeding and weighing and exercising and planning and practicing.
If Mom's got the video camera and Dad's got a worried look it must be SHOWTIME!
I know that if it's to be, it's up to me.
I know the REAL value of groovy tops, jacked fronts, crisp loin edges, and sexy curves.
I know the best place to watch Grand Drive is from in the Ring!
I will avoid corners and "low spots" at all costs.
I can talk the talk and walk the walk and I'm not stopping until I grab the banner!
After God, my family, and my country, my stock comes next.
And if you need to find me ... I will be in the barn!!!

I Show...therefore I am.

Top Ten Ways to Tell if you're Hooked on Showing

1. Your Sullivan's bill is bigger than your electric bill.
2. Your best friends are people that you show with.
3. You remember important events in your life by which show you where at when they happened.
4. When you hear the weather reports your first thoughts are "Is this good hair growing weather?"
5. The only time you have ever bought hair dye has been for your cattle.
6. If your idea of dinner with atmosphere is a clean showbox away from the manure pile.
7. You can tell somebody more about the Judge than some of your cousins.
8. When your friends know not to ask you to do things in the evenings, because your have to wash your show cattle.
9. You get to the point that you say "Don't worry about that, paint will cover it".
10. When you gather up the whole family, (including cows, equipment, & trailer) get in the truck and say "We're going on a vacation!", because the closest thing to a vacation is a cattle show!

Requirements for Calves to be GCCPA Tagged:

It's important that all members know the requirements for a calf to be tagged with the official GCCPA eartag. The rules are listed below:

1. Calves must be bred and born on a member's farm, or
2. Owned and born on other premises (example - you own a cow that is at an ET center in Georgia or another state), or
3. Calves are eligible from the purchase of bred cows or frozen embryos only if bred cows or embryos are purchased from another GCCPA member, and the new owner shall be listed as Breeder on the GCCPA point sheet.
4. Only dues paying members are eligible to purchase tags. (Exhibitors can not pay dues and buy tags for an individual they purchase the calf from.)
